Commissioner for Patents

Sir:

The present Communication is being filed to enter amendments to claims made in Amendment mailed May 13, 2004 and which were not previously entered. Specifically, the Examiner noted that the amendments would raise new issues that would require further consideration and/or search.

It is believed entry of the amendments will place the application and claims in condition for allowance. In this regard, it is respectfully requested that, upon entry of the amendments, the Examiner reconsider and withdraw all rejections of the claims (for reasons noted in the remarks section of the Amendment mailed May 13, 2004).

If a telephone conversation would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorney invites the Examiner to telephone him at the number provided.

Respectfully submitted,

Ronald A. Koatz
